Sir:

The attached Supplemental Declaration replaces the one submitted in response to the Notice of Missing Requirements filed March 4, 2002. The attached Supplemental Declaration corrects typographical errors contained in the originally filed Declaration, namely the original Declaration incorrectly listed PCT Parent Application No. as PCT/US99/29405 filed 12 December 1999 rather than the correct information as PCT/US99/29504 filed 14 December 1999 as set forth in the attached Supplemental Declaration. The typographical error occurred inadvertently and without deceptive intent. Furthermore, the correct PCT parent information appeared in the Application Data Sheet submitted with the original submission under 35 U.S.C. 371.

The attached Supplemental Declaration merely serves to correct typographical errors and contains no new matter. Its entry into the present application is respectfully requested.

Respectfully submitted,

Dick et al.
